An act to amend, repeal, and add Section 12389 of, and to add Section 12340.13 to, the Insurance Code, relating to escrow.

LEGISLATIVE COUNSEL’S DIGEST

AB 704, as amended, Cooley. Escrow services: authorization to transact business.

Existing law authorizes an underwritten title company to engage in the escrow business and to act as an escrow agent if the company satisfies specified requirements, including maintenance of specified records, and the deposit of a specified sum of money with the commissioner. Existing law specifies the conditions under which the commissioner may release or return those deposits to the company.

This bill would expand the requirements for a company to be authorized to conduct escrow services, to engage in the escrow business, and to act as an escrow agent. The bill would authorize a company that is a stock corporation to conduct escrow services through a business location, as defined, if the company receives approval of its name from the commissioner, maintains a minimum net worth, obtains a license to transact its business from the commissioner, and furnishes audits to the commissioner, as specified. The bill would require a company, on and after July 1, 2016, as a condition of engaging in the escrow business

or acting as an escrow agent, to maintain a bond ~~of \$50,000. or deposit in a specified amount.~~ The bill would authorize a company to, with the approval of the commissioner, obtain an irrevocable letter of credit in lieu of that bond. The bill would specify conditions for the issuance of that bond or letters of credit or use of that cash deposit. The bill would require the commissioner to promptly release all escrow-related deposits made with the commissioner before July 1, 2016, under specified conditions, including the deposit of the bond, letter of credit, or cash deposit described above.

*The people of the State of California do enact as follows:*

1     SECTION 1. Section 12340.13 is added to the Insurance Code,  
2     to read:

3     12340.13. “Business location” means a facility or other place  
4     of business in this state where an underwritten title company or  
5     controlled escrow company engages in the business of conducting  
6     escrow services.

7     SEC. 2. Section 12389 of the Insurance Code is amended to  
8     read:

9     12389. (a) An underwritten title company as defined in Section  
10    12340.5, which shall be a stock corporation, may, subject to  
11    subdivision (b), (1) engage in the business of preparing title  
12    searches, title reports, title examinations, or certificates or abstracts  
13    of title, upon the basis of which a title insurer writes title policies,  
14    and (2) conduct escrow services at business locations, as defined  
15    in Section 12340.13, in counties in which the underwritten title  
16    company is licensed to conduct escrow services regardless of the  
17    location of the real or personal property involved in the transaction.

18    (b) (1) Only domestic corporations may be licensed under this  
19    section and no underwritten title company, as defined in Section  
20    12340.5, shall become licensed under this section, or change the  
21    name under which it is licensed or operates, unless it has first  
22    complied with Section 881.

23    (2) (A) Depending upon the county or counties in which the  
24    company is licensed to transact business, it shall maintain required  
25    minimum net worth as follows:

Aggregate number of documents recorded and documents filed in the offices of the county recorders in the preceding calendar year in all counties where the company is licensed to transact business.

Number of documents	Amount of required minimum net worth
Less than 50,000 .....	\$ 75,000
50,000 to 100,000 .....	120,000
100,000 to 500,000 .....	200,000
500,000 to 1,000,000 .....	300,000
1,000,000 or more .....	400,000

(B) “Net worth” is defined as the excess of assets over all liabilities and required reserves. It may carry as an asset the actual cost of its title plant, provided the value ascribed to that asset shall not exceed the aggregate value of all other assets.

(C) If a title plant of an underwritten title company is not being currently maintained, the asset value of the plant shall not exceed its asset value as determined in the preceding paragraph as of the date to which that plant is currently maintained, less one-tenth thereof for each succeeding year or part of the succeeding year that the plant is not being currently maintained. For the purposes of this section, a title plant shall be deemed currently maintained so long as it is used in the normal conduct of the business of title insurance, and (i) the owner of the plant continues regularly to obtain and index title record data to the plant or to a continuation thereof in a format other than that previously used, including, but not limited to, computerization of the data, or (ii) the owner of the plant is a participant, in an arrangement for joint use of a title plant system regularly maintained in any format, provided the owner is contractually entitled to receive a copy of the title record data contained in the jointly used title plant system during the period of the owner’s participation therein, either periodically or upon termination of that participation, at a cost not to exceed the actual cost of duplication of the title record data.

(D) An underwritten title company at all times shall maintain current assets of at least ten thousand dollars (\$10,000) in excess of its current liabilities, as current assets and liabilities may be

1 defined pursuant to regulations made by the commissioner. In  
2 making the regulations, the commissioner shall be guided by  
3 generally accepted accounting principles followed by certified  
4 public accountants in this state.

5 (3) (A) An underwritten title company shall obtain from the  
6 commissioner a license to transact its business. The license shall  
7 not be granted until the applicant conforms to the requirements of  
8 this section and all other provisions of this code specifically  
9 applicable to the applicant. After issuance the holder shall continue  
10 to comply with the requirements as to its business set forth in this  
11 code, in the applicable rules and regulations of the commissioner  
12 and in the laws of this state.

13 (B) An underwritten title company that possesses, or is required  
14 to possess, a license pursuant to this section is subject as if an  
15 insurer to the provisions of Article 8 (commencing with Section  
16 820) of Chapter 1 of Part 2 of Division 1 of this code and is deemed  
17 to be subject to authorization by the Insurance Commissioner  
18 within the meaning of subdivision (e) of Section 25100 of the  
19 Corporations Code.

20 (C) The license may be obtained by filing an application on a  
21 form prescribed by the commissioner accompanied by a filing fee  
22 of three hundred fifty-four dollars (\$354). The license when issued  
23 shall be for an indefinite term and shall expire with the termination  
24 of the existence of the holder, subject to the annual renewal fee  
25 imposed under Sections 12415 and 12416.

26 (D) An underwritten title company seeking to extend its license  
27 to an additional county shall pay a two-hundred-seven-dollar (\$207)  
28 fee for each additional county, and shall furnish to the  
29 commissioner evidence, at least sufficient to meet the minimum  
30 net worth requirements of paragraph (2), of its financial ability to  
31 expand its business operation to include the additional county or  
32 counties.

33 (4) (A) An underwritten title company shall furnish an audit to  
34 the commissioner on the forms provided by the commissioner  
35 annually, either on a calendar year basis on or before March 31  
36 or, if approved in writing by the commissioner in respect to any  
37 individual company, on a fiscal year basis on or before 90 days  
38 after the end of the fiscal year. The time for furnishing any audit  
39 required by this paragraph may be extended, for good cause shown,  
40 on written approval of the commissioner for a period, not to exceed

1 60 days. Failure to submit an audit on time, or within the extended  
2 time that the commissioner may grant, shall be grounds for an  
3 order by the commissioner to accept no new business pursuant to  
4 subdivision (d). The audits shall be private, except that a synopsis  
5 of the balance sheet on a form prescribed by the commissioner  
6 may be made available to the public.

7 (B) The audits shall be made in accordance with generally  
8 accepted auditing standards by an independent certified public  
9 accountant or independent licensed public accountant whose  
10 certification or license is in good standing at the time of the  
11 preparation. The fee for filing the audit shall be three hundred  
12 thirteen dollars (\$313).

13 (C) The commissioner may refuse to accept an audit or order a  
14 new audit for any of the following reasons:

15 (i) An adverse result in any proceeding before the California  
16 Board of Accountancy affecting the auditor's license.

17 (ii) The auditor has an affiliation with the underwritten title  
18 company, or any of its officers or directors, that would prevent his  
19 or her reports on the company from being reasonably objective.

20 (iii) The auditor has suffered conviction of a misdemeanor or  
21 felony based on his or her activities as an accountant.

22 (iv) A judgment adverse to the auditor in any civil action finding  
23 him or her guilty of fraud, deceit, or misrepresentation in the  
24 practice of his or her profession.

25 (D) A company that fails to file any audit or other report on or  
26 before the date it is due shall pay to the commissioner a penalty  
27 fee of one hundred eighteen dollars (\$118) and on failure to pay  
28 that or another fee or file the audit required by this section shall  
29 forfeit the privilege of accepting new business until the delinquency  
30 is corrected.

31 (c) An underwritten title company may engage in the escrow  
32 business and act as escrow agent provided that:

33 (1) The company maintains a record of all receipts and  
34 disbursements of escrow funds.

35 (2) (A) The company deposits seven thousand five hundred  
36 dollars (\$7,500) for each county in which it transacts business in  
37 some form permitted by Section 12351 with the commissioner  
38 who shall immediately make a special deposit of that amount in  
39 the State Treasury and that deposit shall be subject to Sections  
40 12353, 12356, 12357, and 12358 and, as long as there are no claims

1 against the deposit, all interest and dividends thereon shall be paid  
2 to the depositor. The deposit shall be for the security and protection  
3 of persons having lawful claims against the depositor growing out  
4 of escrow transactions with it. The deposit shall be maintained  
5 until four years after all escrows handled by the depositor have  
6 been closed.

7 (B) The commissioner may release the deposits prior to the  
8 passage of the four-year period upon presentation of evidence  
9 satisfactory to the commissioner of either a statutory merger of  
10 the depositor into a licensee or certificate holder subject to the  
11 jurisdiction of the commissioner, or a valid assumption agreement  
12 under which all liability of the depositor stemming from escrow  
13 transactions handled by it is assumed by a licensee or certificate  
14 holder subject to the jurisdiction of the commissioner.

15 (C) With the foregoing exceptions, the deposit shall be returned  
16 to the depositor or lawful successor in interest following the  
17 four-year period, upon presentation of evidence satisfactory to the  
18 commissioner that there are no claims against the deposit stemming  
19 from escrow transactions handled by the depositor. If the  
20 commissioner has evidence of one or more claims against the  
21 depositor, and the depositor is not in conservatorship or liquidation,  
22 the commissioner may interplead the deposit by special  
23 endorsement to a court of competent jurisdiction for distribution  
24 on the basis that claims against the depositor stemming from  
25 escrow transactions handled by it have priority in the distribution  
26 over other claims against the depositor.

27 (d) The commissioner shall, whenever it appears necessary,  
28 examine the business and affairs of a company licensed under this  
29 section. The examination shall be at the expense of the company.

30 (e) (1) If the commissioner determines, after notice and hearing,  
31 that a company licensed under this section has willfully failed to  
32 comply with a provision of this section, the commissioner shall  
33 make his or her order prohibiting the company from conducting  
34 its business for a period of not more than one year.

35 (2) A company violating the commissioner's order is subject to  
36 seizure under Article 14 (commencing with Section 1010) of  
37 Chapter 1 of Part 2 of Division 1, is guilty of a misdemeanor, and  
38 may have the license revoked by the commissioner. Any person  
39 aiding and abetting any company in a violation of the  
40 commissioner's order is guilty of a misdemeanor.

(f) The purpose of this section is to maintain the solvency of the companies subject to this section and to protect the public by preventing fraud and requiring fair dealing. In order to carry out these purposes, the commissioner may make reasonable rules and regulations to govern the conduct of its business of companies subject to this section. The rules and regulations shall be adopted, amended, or repealed in accordance with the procedure provided in Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code.

(g) The name under which each underwritten title company is licensed shall at all times be an approved name. The fee for filing an application for a change of name shall be one hundred eighteen dollars (\$118). Each ~~such~~ company shall be subject to the provisions of Article 14 (commencing with Section 1010) and Article 14.5 (commencing with Section 1065.1) of Chapter 1 of Part 2 of Division 1.

(h) This section is repealed as of July 1, 2016.

SEC. 3. Section 12389 is added to the Insurance Code, to read:

(B) “Net worth” for the purposes of this section is defined as the excess of assets over all liabilities and required reserves. The company may carry as an asset the actual cost of its title plant, provided the value ascribed to that asset shall not exceed the aggregate value of all other assets.

(C) If a title plant of an underwritten title company is not currently maintained, the asset value of the plant shall not exceed its asset value as determined in the preceding paragraph as of the date to which that plant is currently maintained, less one-tenth thereof for each succeeding year or part of the succeeding year

11 contained in the jointly used title plant system during the period  
12 of the owner's participation therein, either periodically or upon  
13 termination of that participation, at a cost not to exceed the actual  
14 cost of duplication of the title record data.

15 (D) An underwritten title company shall at all times maintain  
16 current assets of at least ten thousand dollars (\$10,000) in excess  
17 of its current liabilities, as current assets and liabilities may be  
18 defined pursuant to regulations made by the commissioner. In  
19 making the regulations, the commissioner shall be guided by  
20 generally accepted accounting principles followed by certified  
21 public accountants in this state.

22 (3) (A) An underwritten title company shall obtain from the  
23 commissioner a license to transact its business. The license shall  
24 not be granted until the applicant conforms to the requirements of  
25 this section and all other provisions of this code specifically  
26 applicable to the applicant. After issuance the holder of the license  
27 shall continue to comply with the requirements as to its business  
28 set forth in this code, in the applicable rules and regulations of the  
29 commissioner, and in the laws of this state.

30 (B) An underwritten title company that possesses, or is required  
31 to possess, a license pursuant to this section shall be subject as if

37 (C) The license may be obtained by filing an application on a

16 required by this paragraph may be extended, for good cause shown,  
17 on written approval of the commissioner for a period, not to exceed  
18 60 days. Failure to submit an audit on time, or within the extended  
19 time that the commissioner may grant, is grounds for an order by  
20 the commissioner to accept no new business pursuant to  
21 subdivision (d). The audits shall be private, except that a synopsis

33 Board of Accountancy affecting the auditor's license.

34 (ii) The auditor has an affiliation with the underwritten title  
35 company or any of its officers or directors that would prevent his  
36 or her reports on the company from being reasonably objective.

37 (iii) The auditor has been convicted of a misdemeanor or felony  
38 based on his or her activities as an accountant.

1 (iv) A judgment adverse to the auditor in any civil action finding  
2 him or her guilty of fraud, deceit, or misrepresentation in the  
3 practice of his or her profession.

4 (D) A company that fails to file an audit or other report on or

8 forfeit the privilege of accepting new business until the delinquency  
9 is corrected.

10 (c) An underwritten title company may engage in the escrow  
11 business and act as escrow agent, provided that:

27 *(B) (i) In lieu of the bond described in subparagraph (A), the*

30 commissioner under this chapter concerning the conduct of escrow  
31 services.

32     (ii) The licensee will honestly and faithfully apply all funds  
33 received, and will faithfully and honestly perform all obligations  
34 and undertakings under this chapter, concerning the conduct of  
35 escrow services.

36     (B) In determining the liability of the principal and the sureties  
37 under the bond, any money recovered to restore any deficiency in  
38 the trust shall not be considered as an asset of the liquidation  
39 subject to the assessment for the cost of the liquidation.

1 (C) The surety under the bond, or the issuing bank of a letter of  
2 credit, may pay the full amount of its liability thereunder to the  
3 commissioner as conservator, liquidator, receiver, or anyone  
4 appointed by the commissioner as a conservator, liquidator, or  
5 receiver in lieu of payment to the state or persons having a cause
